APPLICANT STATEMENT: PLEASE READ CAREFULLY

I hereby state that the information given by me in this application is true in all respects. I understand that any material misrepresentation or deliberate omission of fact on my application/resume may be justification for refusal of employment or if employed cause me to be subject to dismissal without notice at any time.

I agree that, by being an employee at will, my employment may be terminated by Twin Lakes Regional Medical Center (TLRMC) at any time, with or without good cause, without liability for wages or salary except that earned at the date of termination. I understand this is an application for employment and that no employment contract is being offered. I understand if employed, such employment is for an indefinite period of time and TLRMC can change wages, benefits and conditions at any time.

I agree to a search of my person or of any property assigned to me, and hereby waive all claims for damages on account of such examination.

I authorize any physician or hospital to release any information which may be necessary to determine my ability to perform the duties of position for which I am being considered prior to employment or in the future during my employment. I agree to submit to a health assessment including drug testing as a condition precedent to my employment, and I understand if I refuse to submit to this assessment, the conditional offer of employment may be revoked. I acknowledge that this health assessment is not a substitute for a comprehensive examination by a private physician.

I understand that business needs may make the following conditions mandatory: overtime, shift work, a rotating work schedule, or a work schedule other than Monday through Friday. I understand and accept these conditions of my continuing employment.

It is my understanding that TLRMC may make a thorough investigation of my entire work and personal history and may verify all data given in my application for employment, related papers or oral information. I authorize such investigation and the giving and receiving of any information requested by TLRMC, and I release from liability any person giving or receiving such information. I also understand if I am hired, I will be required to provide proof of identity and legal authorization to work in the United States and that Federal Immigration Laws require me to complete an I-9 form in that regard.

Do not sign until you have read the above applicant statement. I certify that I have read, fully understand, and accept all terms of the above.
